

POSITANO WORKSHOP DETAILS

September 2 - September 7, 2010

ACCOMODATIONS:

We will be staying at La Fenice, a Bed and Breakfast sweetly nestled just outside of the busy area of Positano. Surrounded by lush vegetation, La Fenice represents the “Old Positano”, away from the noise of the bustling town allowing one to embrace the beautiful solitude of nature. A few minutes of walking will bring you to the Pedestrian Zone; the centralmost part of Positano.

Positano in September is also the most magnificent time to go with the crowds thinning and humidity dwindling. The weather is wonderful and flowers are still in full bloom.
